

LOVED

The word "LOVED" is rendered in a large, bold, black serif font. Each of the four letters L, O, V, and E is accompanied by a square decorative frame. These frames are positioned to the right of the letters: the first frame is to the right of 'L', the second to the right of 'O', the third to the right of 'V', and the fourth to the right of 'E'. Each frame contains a small, intricate scrollwork design in its top-left corner. Additionally, a decorative floral element is placed to the left of the letter 'V'. This element consists of a thin, curved branch with several small, five-petaled flowers and leaves, extending upwards and to the right, partially overlapping the letter 'V'.
